It was a great event. I enjoyed it very much - the networking as much as the content. The panel sessions and the workshops were very good, well organised and good setting. Thank you very much for organising the event. It was perfectly organised, very seamless and great location.

Martin Berlin, Partner, PwC Middle East
Tourism Innovation and Transformation Forum 2016

Welcome to Ejtemaat Knowledge Network

Ejtemaat Knowledge Network is a boutique events company based in Dubai UAE promoted by industry veterans with more than 15 years experience renowned for our quality, high calibre conferences, summits and expos. Our 2017 calendar includes comprehensive and knowledge building B2B events across the GCC region in sectors such as Education, Information Technology, Tourism, Logistics, and Human Resources Development.

We also offer independent and expert event production services, event conception and design services and critical insights to our strategic government and private companies for hosting successful B2B or special events.

Ejtemaat Knowledge Network works closely with government institutions, professional associations and various industry professionals to sustain and nurture businesses to success. Our partnerships with various government and professional associations help to enhance an individual's professional development, network and build up on their success and overall growth.

Vision

To become the leading, most innovative organisation offering quality thought leadership events that bring together knowledge and business.

Mission

To ensure the success of our events as recognised leaders in their fields through the provision of high quality services of unmatched value. Through these services we create platforms that build strong networks powered by knowledge not just events.

Our Values

Excellence | Innovation | Integrity | Success

Passion for Imaginative events!

Creating interactive and imaginative events is our passion. We work with wonderful clients to create the event they've always wanted to be associated with. To turn their expectations into reality, we engage with an elite group of experts, innovators, event planners, marketers, suppliers, venues, and others. Whether your aim is to plan an knowledge building workshop or an industry leading conference, expo or a confex, our mission is the same: to assist each client in realizing their ideal event. There is more than one way to make it happen. Please drop us a line or give us a call.

We'd love to work with you!

MEET, LISTEN, & BRAINSTORM

Whether it is conference develop or special event, to kick things off, we like to meet with you and take time to understand your needs and wants, your likes and dislikes. We can then discuss the direction of the project, brainstorm ideas, and agree on the next steps.

PLAN, RESEARCH, & EXECUTE

Time to create a vision for the event, brainstorm the right format, core audience it should attract, determine key topics that will go into the discussion. We will develop a detailed programme addressing each knowledge building and networking opportunity.

Our Events

It was very well organised, spectacular set up and felt privileged to mingle with veterans and gurus of travel industry

Other Services

Apart from conceiving and organising our own events, we also extend following services to our strategic partners and clients:

Conferences & Exhibitions

Ejtemaat will be pleased to extend its proven expertise in conceiving and executing world-class exhibitions, summit or other special events. We are the preferred service provider for event management and conducting exhibitions.

Trainings & Seminars and Workshops

We help individuals, corporates and associations on their journey to success by fine-tuning their expertise through training. Our network of expert trainers in leadership, communication, media & PR, training and many other areas are ready to assist you in achieving your goals and objectives. We also provide custom training solutions that deliver outstanding results to take your organisation forward.
